To 85c Bakery Cafe,

We are in need of some support. We represent The National Asian Presbyterian Council (NAPC). A non-profit organization that helps Youth cultivate into leaders in their community through Christian Ministry. Each year, we organize an event called **YOUTH CON**, hosted by multiple Asian churches in Southern California. This event will be held in Indonesian Presbyterian Church in Fullerton on June 1st 2019 at 9am.

The purpose of **YOUTH CON** is to connect and form a community of young believers to grow and learn more about Jesus Christ together. It is a full day conference where the youth will be able to explore, share and connect with their peers and encourage one another in their walk with the Lord.

This is our third year and we have seen wonderful results. Each year we have grown in numbers. Our first year we had 3 churches with only 40 in attendance. Our second year more than doubled. This year, we would like to triple our attendance.

This is where your help can benefit in helping these young leaders. This is a morning through night event and food and beverages are essential to this event. We hope 85c Bakery Cafe can help us with donated boxes of baked goods. Please let us know if your company can help us. We will have 200 in attendance. Anything you can donate will be very appreciated.

If you have any questions, please contact me either through email or by phone. My contact information is listed below.

God Bless!
